Re: Annual Reports 1978 for:  
Patti Ann, Standard #2  
Rim-Columbus, Pandora  
Radium King, Louise  
Locust-Spider, Dunn  
Windfall, Probe

Dear Mr. Hunerjager:

This letter is to acknowledge receipt of your 1978 Operations and Progress Reports for the above mentioned mines.

It has come to our attention that a map was not submitted for any one of these operations. The non-submittal of an up dated map indicates that each mining operation is proceeding exactly in accordance with the originally submitted mining and reclamation plan and map. Future field inspections by the Division will varify that actual field developments are proceeding in this way for each mine.

Very truly yours,
